

American hero who left his home to defend our Nation, and then returned home to be a valued member of his community, showing his children and grandchildren how to live meaningful lives of service. Howard is the embodiment of all the values that have molded America into the great Nation it is today. May God bless Mr. Brigham and his family, may God bless our precious veterans, and may God continue to bless America.

HONORING DR. LEONARD J. KLAY

**HON. LYNN C. WOOLSEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 15, 2007*

Ms. WOOLSEY. Madam Speaker, I rise today together with my colleague, Congressman MIKE THOMPSON, to honor Dr. Leonard Klay and recognize his contributions to medicine in Sonoma County and the State of California. The Sonoma County Medical Association is taking this opportunity to recognize Dr. Klay's ongoing commitment to organized, high-quality medical service for the community of Sonoma County.

Dr. Klay grew up and completed high school in southern California before receiving his bachelor's degree with distinction from Stanford University in 1959. He continued at Stanford, graduating from medical school in 1962 and going on to complete his internship and residency in southern California. He served as a major in the U.S. Army from 1967–1970 during which time he served overseas.

After beginning his practice with the Permanente Group in 1970 as an OB/GYN, Dr. Klay moved to private practice in 1971 where he remained for 29 years, finally moving to the Sutter OB/GYN Medical Group in 2000. He retired in 2004, but continues to assist part-time as an obstetric surgeon. For the last 35 years he has generously given his time to assist at the Sonoma County Family Planning Clinic, and he remains there as a valued volunteer. In 1999 he joined the staff at the Santa Rosa Community Hospital as a Clinical Professor where he helps train a new generation of doctors.

Dr. Klay has made numerous contributions to the medical profession as an outspoken leader in Sonoma County and around the State. He has twice been elected president of the Sonoma County Medical Association, and has served on a wide variety of committees within that body. Active in the California Medical Association for 36 years, he has served as a delegate and Tenth District Chair. He has served on a number of county commissions focused on perinatal substance abuse, and has worked to stabilize healthcare in Sonoma County through participation as a trustee or director on numerous boards.

Dr. Klay has been particularly active in his community in fighting to implement public smoking bans, and reduce tobacco use by raising the smoking age. His endeavors in this direction were successful when the city of Healdsburg passed that ban. He continues to advocate against smoking in other forums and is on the county's Tobacco Coalition.

Madam Speaker, it is appropriate at this time that we thank Dr. Leonard Klay for his many years of service on behalf of the people of Sonoma County. He has worked tirelessly

to improve health care and the medical profession, and he deserves our thanks.

SUPPORTING THE GOALS AND IDEALS OF PEACE OFFICERS MEMORIAL DAY

SPEECH OF

**HON. TOM DAVIS**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, May 8, 2007*

Mr. TOM DAVIS of Virginia. Mr. Speaker, I am proud we have brought this resolution to the floor today. It is sadly fitting, as today marks the 1-year anniversary of the fatal shootings of Master Police Officer Michael E. Garbarino and Detective Vicky O. Arnel of the Fairfax County Police Department—the first two officers shot and killed in the line of duty in the department's long, distinguished history.

These local officers were shining examples of the courage and selflessness found in our law enforcement community. Their stories also illustrate the fact that personal sacrifice and danger have always been synonymous with law enforcement service, beginning with New York City's Deputy Sheriff Isaac Smith, who on May 17, 1792, became the first recorded police officer to be killed in the line of duty.

Today, there are 870,000 sworn law enforcement officers in the United States who continue the "quest to preserve both democracy and decency, and to protect a national treasure that we call the American dream," a quote by President George Bush engraved on the National Law Enforcement Officers Memorial. Each one of these officers and their families carry with them the knowledge their efforts put them in harm's way. Today, more than 56,000 are assaulted each year and every 53 hours, an officer is killed while serving the American people. September 11, 2001, was the deadliest day for police officers in all of American history when 72 officers were killed while responding to terrorist attacks.

May 15 is Peace Officers Memorial Day, a holiday created in 1961 by Congress to honor fallen law enforcement officers who dedicated their lives to protecting this country and its citizens. The flag is flown at half-staff and thousands of people visit the Memorial, which was authorized by President Ronald Reagan in 1984 and built in 1989 and currently has 17,912 names etched into the wall.

Mr. Speaker, I support this resolution to honor the memories of Master Police Officer Garbarino and Detective Arnel, and all the fallen heroes from the law enforcement ranks for their service and their willingness to expose themselves to danger in their pursuit of a safe community.

CONGRATULATING THE HAMMOND LADY RED DEVILS UPON WINNING THE 2007 NEW YORK STATE CLASS D CHAMPIONSHIP

**HON. JOHN M. McHUGH**
